

# Agricultural & Industrial LED Lights

Tiger Lights specializes in LED lights for agricultural and industrial equipment. These lights can be found all over the globe from log loaders in Oregon to transportation vehicles in Antarctica. All lights come with a custom bracket and wiring harness for a direct fit for hundreds of different applications. Tiger Lights also supply conversion kits that are plug and play with little to no modification needed.

## Benefits of Tiger Lights LED Lights...

- IP68 Rating (Waterproof & Dustproof)
- Radio Frequency Interference Filter (RFI)
- Durable Poly Carbonate Lens
- Most lights will have a connector for Plug & Play applications
- Electromagnetic Interference Filter (EMI)
- Die-cast Aluminum Housing / Heat-Sink
- Stainless Steel Hardware
- Exact Fit - we do not use generic lights with will-fit brackets.
